My Dream Job

I want to be a lawyer when I grow up because it is a meaningful job. If I become a lawyer, I will help people who are in trouble. Lawyers need to be quick-thinking so that they can settle a criminal case. They also need to be patient. They need to look for clues so that they can help people who are in trouble. Lawyers need to be hard-working too. They need to study hard of law so they can help people to go to court and win.

I think this job is suitable for me because I am hard-working and quick-thinking. I am patient too. I hope I can be a lawyer some day.

My Dream Job

I want to be a police officer when I grow up because it is a meaningful and challenging job. If I become a police officer, I need to be calm and brave so that I can catch thieves and robbers. I also need to be smart and outgoing.

Police officers do a lot of exercise so that they can stay fit. They need to help people who are in trouble. They need to protect citizens as well.

I think this job is suitable for me because I am brave and outgoing. I am responsible too. I hope my dream will come true one day.

My Dream Job

I want to be a police officer when I grow up because it is a meaningful job. If I become a police officer, I will protect and help people. Police officers need to be brave and strong so that they can catch dangerous thieves and robbers. They also need to be smart. They need to look for clues so that they can solve crimes. Police officers need to be fit and strong too. They need to do exercise so that they can stay fit.

I think this job is suitable for me because I am fit and smart. I am strong too. I hope I can be a policewoman one day.

My Dream Job

I want to be a doctor when I grow up because it is a meaningful and challenging job. If I become a doctor, I will cure sick people in a hospital all day long.

Doctors need to be caring and good tempered so that the patients will be cooperative. They also must be healthy. They need to do a lot of exercise so that they can stay fit. Besides, they need to take care of sick people patiently. They need to be efficient and easygoing as well.

From now on, I will study hard and learn to be patient so that I can be a good doctor. I hope my dream will come true one day.

My Dream Job

I want to be a doctor when I grow up. If I become a doctor, I will help sick children and people.

Doctors need to cure and take care of sick people. They need to be patient and understanding. They also need to be caring and attentive. I will use my knowledge to relieve their pains. I will try my best to study new medicine which is affordable for the poor families so that they can live longer.

From now on, I will study hard so that I can succeed to be a doctor some day.

My Dream Job

I want to be a vet when I grow up because it is a meaningful job.

I am smart and clever so I can know the needs of animals. The most important, I'm an animal fan. No matter what kinds of animals they are, I like them all!

This job is suitable for me because I am clever and quick thinking. I hope I can be a vet some day.
