題目: STEAM BUS! Let's Catch UP!

姓名: 李日悅 (23) 班別: 4A 日期: 12月4日

When I was Primary 2, I was so excited because you would come to our school soon. But I also wonder how can you get inside our school.

Do you remember me? I stood at the school entrance with principal, teachers and colleagues to welcome you. My family also came. It was a memorial day. Steam bus joined CNEC on 23 November 2018.

You were a golden bus at that time. Look! You are a colourful Steam bus with main theme of space now. After opening, we will get in you to learn more science.
